LE WINNING ROUND, WHERE THE FUN GOES ON

Le Winning Round opens its doors on Friday and Saturday evening, giving the CHI Geneva community the chance to enjoy each other's company for that little bit longer. It's a popular place, with members of the public, exhibitors, riders, organisers and volunteers all gathering there to socialise and have fun when the day's events are over. And just to make sure the party goes with a swing, a DJ will be on hand on both evenings. Le Winning Round is in the foyer, before the conference rooms (just follow the signs). Open from the end of the events through to 03:00 (last orders at 02:00). Over 18s only (ID must be shown).

AT THE CHIG, WE SORT IT OUT!

For this year's event, the organisers have teamed up with Serbeco and Palexpo to raise awareness of the need to separate waste. A number of recycling points will be made available to the general public, allowing them to dispose of their waste correctly.

The organisers and their partners hope that the initiative will help push the percentage of waste sorted at the event to over 80%, and we would like to thank the public in advance for contributing towards that. The CHI Geneva is an "Ecosport"-certified event, a status it has achieved thanks to the effective sustainable development measures it has put in place.

USEFUL INFORMATION

Palexpo is a no-smoking venue.
Please note that smoking is prohibited inside the venue throughout the event.

For safety reasons, dogs are not allowed into the venue.
